

Date: 25-DEC-2022

Team Name: Champions

Leader Name: Thuraia Alqahtani

Big Data Ecosystem-Capstone: USA-Accidents

Daily Goal: Completing the pig scripts, Reviewing and Finishing the EDA

Clearly state your objectives for the day in 3-6 sentences.

Member Name: Aesha Aljohani

Done:

- Started the Dashboard

To-Do:

- Completing the Dashboard
- Helping with kafka
- Helping with spark

Member Name: Esraa Alyoubi

Done:

- The EDA
- Wrote pig questions
- Wrote pig scripts

To-Do:

- Helping with kafka
- Helping with spark
- Write insights for the EDA
- Finalizing the EDA
- Write Insights for pig result
- Start the presentation

Member Name: Roba Alsaadi

Done:

- Wrote pig questions
- Wrote pig scripts
- Research

To-Do:

- Helping with kafka
- Helping with spark
- Write Insights for pig result
- Write the blog

Member Name: Lina Almansor

Done:

- Wrote pig questions
- Wrote pig scripts
- Data preprocessing

To-Do:

- Helping with kafka
- Helping with spark
- Write Insights for pig result
- Start the presentation

Member Name: Shatha Alismail

Done:

- Wrote pig questions
- Wrote pig scripts
- Data preprocessing

To-Do:

- Helping with kafka
- Helping with spark
- Write Insights for pig result
- Start the presentation

Member Name: Thuraia Alqahtani

Done:

- The EDA
- Wrote pig questions
- Wrote pig scripts

To-Do:

- Helping with kafka
- Helping with spark
- Write insights for the EDA
- Finalizing the EDA
- Write Insights for pig result
- Start the presentation

Member Name: Zainab Alibrahiem

Done:

- Wrote pig questions
- Wrote pig scripts
- Research
- Started the writing the problem statement

To-Do:

- Helping with kafka
- Helping with spark
- Write Insights for pig result
- Write the blog
